

Stuart Cameron, Up Country Magazine, UK- "Bill Durham is a talented Artist".

Tom Robinson- Kingstown Radio, UK- "Bill always provides us with songs That are country from the heart. This is another great CD from a real trooper".

R.W. Shamy Jr., TwangCast Radio-Media/Co-Founder Airplay Direct, Georgetown, TX-
"Bill Durham put a lot of time into this CD. True to the tradition and roots of REAL COUNTRY music, Bill hit it right own. This is what Country is Supposed to be like.....Bill Durham, Plain And Simple".

Kurt Gabriel, Radio Theben, Denmark- "Fantastic- let's hear more"

Mike Rowe, KWES Radio, Ruidoso, NM- "Bill, I received your CD. Thanks For sending it. I will be playing "Pink Cadillac" on my show. Keep up the Good work".

Lars G. Lindberg, MCWC Radio, Sweden- "I always try to keep up with all The new and talented artists who still have the "roots" of country music in Their blood. It was a pleasure to find your music clips, and I have found them Enjoyable to listen to. If you think it's worth a spin in the air at a Swedish Radio station, I would be very happy to receive a promotional copy of your Great album".

Larry Kelly, Maverick Country Magazine, England- "Durham has a group of Efficient musicians backing him, and he has turned to writers like Paul Craft, Don Singleton, Jimmy Evans, Andy Anderson, Ronny Scaife, and the late Conway Twitty for his material. This reviewer has no doubt, whatsoever, that Durham's heart is in the right place".

Andy Ross, Clarksdale Press Register, USA- "Now with the release of his Second album, I've Got The Song, Durham's own work seems to be reaching More and more ears especially overseas where a number of his songs have Received considerable airplay".

Jimmy Stix, WHIM 1450 AM, Providence, Rhode Island- "I just finished Listening to Bill Durham's CD. It's very good. Bill reminds me of my late Friend, Johnny Cash. Tommy Cash and myself belong to "The Country Legends Association". I just sent Tommy Cash a copy of Bill Durham's CD containing Bill's rendition of "Folsom Prison Blues". I thought Tommy Would like to know that the music of Johnny Cash will live on with artists Like Bill Durham keeping it alive. I will play his CD on my radio show. He Made a great CD, and I hope Bill will keep the classic country music alive".
